**Development Director**

Sally began her fundraising career in 1987, when she originally joined the Morton Plant Mease Foundation. After spending 10 years leading a successful career with the Foundation, she left to pursue other interests outside of Florida. She returned to the area in 2010 and began working at the Foundation again in 2012, which has been a homecoming for Sally.

She has over 25 years of fundraising experience. In addition to working at the Foundation, Sally has worked for various other charitable organizations in the Southeast, including Peace College in Raleigh, NC, Baptist Health System Foundation and Ijams Nature Center – both of Knoxville, TN, and St. Joseph’s Hospitals Foundation in Tampa. She earned her Bachelors of Science degree in Organizational Management at Tusculum College in Greeneville, TN. Sally also obtained her Certified Fundraising Executive (CFRE) designation in 2014.

Sally serves on the Central Pinellas Chamber of Commerce Board and also serves on the Chamber’s Women in Leadership Committee. She is a member of the Association of Healthcare Philanthropy. Sally had the distinct honor of being a 2002 Winter Olympics Torch Bearer.
